PROFESSIONAL SUMMARY

Motivated, highly active, and impact-driven Computer Science Education graduate (Ahmadu Bello University, 2025) possessing a unique and powerful dual specialty: practical IT/Cybersecurity engineering and global Climate Action/SDG leadership. Proven expertise in simulated secure network configurations, digital forensics, hands-on web development, and blockchain smart contracts, complemented by prestigious certifications from Oxford Climate Society, Cambridge CEENRG, IBM, and Cisco. An elite environmental mobilizer and Plogging Nigeria community leader who has coordinated campaigns engaging thousands of youth, managed cross-border climate advocacy projects, and delivered cybersecurity hygiene workshops. Seeking to leverage strong technical acumen, educational background, and verified leadership capabilities in security-focused roles, green technology, or sustainable development organizations.

EDUCATION

Ahmadu Bello University (ABU) — Zaria, Kaduna State, Nigeria

Bachelor of Science in Education - BSc (Ed) Computer Science Education | Graduated: 2025

- Final Year Project: "The effect of Facebook and WhatsApp usage on the academic performance of Undergraduate Students of Computer Science Education in Ahmadu Bello University, Zaria." An empirical analysis of social platform impacts on learning outcomes.

Federal College of Education — Zaria, Kaduna State, Nigeria

National Certificate in Education (NCE) - Computer Science Double Major | Graduated: 2020

- Final Year Project: "Analysis of students' performance in computer science in public secondary school certificate examinations (SSCE) 2011-2018 in Zaria Educational Zone, Kaduna State." Research examining infrastructural and teaching gaps in local secondary schools.

CORE COMPETENCIES & SKILLS

- Network & Security Engineering:** Cisco Packet Tracer, network architecture simulation, static/dynamic routing, secure access control lists (ACLs), user authentication protocols.
- Cybersecurity Practice:** Vulnerability scanning (Nmap), security audit simulations, cyber hygiene training delivery, ethical hacking principles (Kali Linux, Metasploit basics).
- Web & Web3 Development:** Front-end web design (HTML5, CSS3, JavaScript, React.js bootstrap), smart contract design (Solidity, dApps), Web3 tools, crypto fundamentals.
- Data Analytics:** Excel dashboards, SQL database querying, Tableau dashboards, data preparation and cleaning techniques.
- Environmental Advocacy & Policy:** Waste management audits, circular economy project design, carbon-neutral campaigns (Liquid Trees), local reforestation and tree-planting strategies.
- Leadership & Mobilization:** Strategic project coordination, volunteer recruitment & logistics (500+ volunteers), public speaking, community outreach, digital branding & LinkedIn advocacy.

- **Productivity & AI Tools:** ChatGPT prompt engineering, Google Forms, Microsoft Office (Word, Excel, PPT), Canva Graphic Design, LMS (Moodle).

PROFESSIONAL EXPERIENCE & PROJECTS

Plogging Nigeria ABU Community — Zaria, Nigeria

Community Leader & Environmental Organizer | 2023 — 2025

- Coordinated regional waste cleanup, fitness runs, and environmental policy advocacy campaigns, directly managing a volunteer team of over 300 students monthly.
- Pioneered the ABU Campus Cleanup 2.0 (August 30, 2025), mobilizing 250+ volunteers to clean 2km of campus grounds and collect 60+ bags of plastic waste within 2.5 hours.
- Served as Social Media & Communications Manager (LinkedIn, 2024-2025), growing brand reach, writing impact stories, and promoting public partnership opportunities.

HTechNinja Technologies Limited — Kaduna State, Nigeria

Cybersecurity Analyst Cohort Member | Feb 2024 — Feb 2025

- Completed a 6-week intensive cohort program focusing on security concepts, network defense, access controls, digital forensics, and professional career readiness.
- Recognized in the Top 10 participants for outstanding dedication, class engagement, and lab performance in Week 4 (Certificate of Recognition: Feb 20, 2025).
- Developed and delivered community cyber hygiene workshops covering email safety, password protocols, and phishing prevention for local students.

Liquid Trees — Remote

Climate Advocate & Campaign Organizer | Aug 2024 — Present

- Awarded formal promotion to Climate Advocate (Certificate No. 25949957454837) due to outstanding commitment and campaign execution.
- Promoted Liquid Trees' clean air technology, focusing on micro-algae applications for neutralizing pollution, absorbing CO2, and extracting heavy metals/microplastics.
- Spearheaded local digital and on-the-ground advocacy campaigns to build momentum for green and carbon-neutral technologies.

Planeteer Alliance (Captain Planet Foundation) — Kaduna / Remote

Summit Organizer & Logistics Lead | 2024 — 2025

- Coordinated operations as Logistics Officer for the Planeteer Alliance FIRE Summit (July 2024), managing venue, resource distribution, and volunteer workflows.
- Hosted the 2025 Planeteer Alliance Wind Summit (August 13, 2025), facilitating international panels on single-use plastics and circular economies.

KEY CERTIFICATIONS & PROFESSIONAL CREDENTIALS

Cybersecurity, Systems, & Web Technology:

- IBM SkillsBuild | Getting Started with Cybersecurity - Issued Feb 21, 2026. Verify Link: credly.com/badges/ec4647a0-4ced-48cf-9914-2cbc2d4e48c1
- OneDev Bootcamp | Blockchain Development, Smart Contracts & dApps - Issued Oct 31, 2025. Certificate ID: 00530e6b
- AQskill | Crypto Trading Mastery: Blockchain Basics & Smart Money - Issued Dec 17, 2025. Verify: aqskill.org/verify (ID: 304392A132015)

- INCO Academy & LinkedIn | Green Digital Skills (Tech Sustainability, Green Design, AI Environmental Cost) - Issued Oct 1, 2025
- Candleweb | Blockchain Basics for the Curious (5-Week Certified Course) - Issued Nov 16, 2025
- Cisco Networking Academy | Data Analytics Essentials (Excel, SQL, Tableau, Data Cleaning) - Issued Nov 18, 2023
- Cisco Networking Academy | Introduction to Cybersecurity - Issued Nov 2023
- Google Digital Garage | Fundamentals of Digital Marketing - Issued Dec 19, 2022. Verify Link: learndigitalwithgoogle.com/link/lqsdpcdm9s (ID: CZK 7EW 8P2)
- HTechNinja Technologies | Master Cybersecurity & Career Essentials (6-Week Intensive) - Issued Feb 27, 2025 (ID: HTN-2025-010)
- DevTown / MLSA / GDSC KIIT | Front-End Web Development (7-Day JS & React.js Bootcamp) - Issued Nov 2022
- Memoi Africa | Blockchain Basics for Web3 Development - Issued Jan 15, 2024

Climate Action, Sustainability, & United Nations SDGs:

- Oxford Climate Society, University of Oxford | School of Climate Change (SoCC) Course - Jan-Mar 2026. Issued Apr 7, 2026
- Cambridge Centre for Env, Energy & Natural Resource Governance | Cambridge Essentials: The SDGs - Issued Sep 2024
- United Nations System Staff College (UNSSC) & UNEP | My Sustainable Lifestyles Challenge (12 Hours) - Issued Oct 4, 2024
- SDSN Youth Nigeria | Climate Actors Accelerator Programme (CAAP) Cohort 2 Certificate of Excellence - Issued June 20, 2023
- CLEIIN (Green Future Leaders) | Green Future Leadership Accelerator Programme Excellence - Issued July 18, 2025
- Youth for Env Conservation Initiative | Z-Sustainability Lab: Waste Management & Circular Economy - Issued Feb 20, 2026
- UN Sustainable Development Solutions Network (SDSN) Nigeria | SDGs Advocate Programme Excellence - Issued Nov 20, 2023
- AIIIOEV Africa | UN SDGs Outreach, Advocacy, & Leadership Project Excellence - Issued Mar 31, 2025
- United Nations Movers Programme | 2-Hour Movers Workshop on the SDGs (Participant & Action Pledge) - Issued Oct 2024
- Captain Planet Foundation | Climate Awareness & Campaign Strategy - Issued Sep 4, 2024
- Yanayi Haki Afriqya (Climate Justice Africa) | Capacity Building & Skills Sharing for Climate Activists - May-Oct 2024
- CNN | Call to Earth Day 2025: Guard Your Green Space Certificate of Participation - Issued Nov 2025
- International Veterinary Students' Association (IVSA ABU) | Grow-a-Plant Challenge Service Certificate - Issued Jan 9, 2025

Leadership, Strategy, & Financial Literacy:

- Nigeria Youth Futures Fund / LEAP Africa | Youth Leadership Development Programme E-Learning - Issued 2024
- FSBS | Financial Literacy Bootcamp (Budgeting, Personal Finance, Financial Planning) - Issued Feb 2026 (No. FSBS-FLC-2026-001)
- Farm Alert Campus Tour 1.0 | Campus Vetpreneurs: Design, Disrupt, Dominate (ABU Tour) - Issued Nov 25, 2025
- Paradigm Initiative | Life-skills, ICTs, Financial readiness, Entrepreneurship (LIFE) Virtual Learning - Issued Apr 1, 2021

VOLUNTEERING & COMMUNITY IMPACT

- Kaduna State Ministry of Environment & Natural Resources / LAWSAN North-West - Volunteer Certificate during EcoCare Initiative 3.0 Tree Planting Exercise (August 21-22, 2025). Helped plant native trees to combat deforestation.
- Kaduna State Ministry of Environment & Natural Resources / LAWSAN North-West - Volunteer Certificate during EcoCare Initiative Environmental Cleanup at ABU Kongo Campus and Gyallesu Community (August 23, 2025).
- LAWSAN North-West & Plogging Nigeria - Contributed to Keep ABU Kongo Clean Series 2.0 (January 2025), promoting waste separation and environmental hygiene.
- LEAP Africa Youth Day of Service (YDOS) - Coordinated sanitation, waste collection campaigns, and community hygiene awareness in Samaru, Zaria, mobilizing 500+ volunteers (August 2023 & November 2024).
- Plogging Nigeria National Conventions - Actively participated in Ploggas Convention Nsukka, Enugu State (2025) and Ploggas Convention Ilorin, Kwara State (2024), sharing practices on community mobilization.
- Khwaja Fareed University of Engineering & IT (Pakistan) | 2nd International Conference on Sustainable Development Goals (SDGs) - Volunteer/Attendance Certificate in collaboration with University of Central Lancashire (July 12-13, 2023).
- SustyVibes & German Embassy Abuja - Participated in the intensive Bioverse NG Workshop (October 21 - November 25, 2023), learning local biodiversity preservation techniques.
